Dear Sid:

Reference is made to telecon between Walt and Joe P. regarding "C" Inventory supplied P & E as GFF for performance of Contracts CM-5400, RE-518 and PR-8200.

Our records indicate that the following items of "C" Inventory have been released to P & E either by WRAMA or the Supply Depot:

- 1 Power Cart #RI-735420 from HF-32-27 to RE-518
- 12 - 6 3/4 speels - letter to Sid DPD-4082-60, 20 May 1960
- 1 - 3 Axis Flexure Gimbal (On HR-736 Configuration in Contractor's possession) Assembly Pt. No. 32-SGC-734330) to Contract CM-5400
- Contents of Box No. 6 of "C" Residual from Farm, stored at Supply Depot
- 3 each P/N H-3280C-733850 HIQ-5 GYROS from FOG Depot. Requested from [] 2/17/60 for RE-518.
- 1 each Oscilloscope, Tektronix 531 with plug in units, rollaway stand, viewing hood and leader, from WRAMA Co. P & E about 23 October 1959.

P & E is to submit a complete list of the "C" Inventory by 15 December 1960 which should indicate the contractors recommendations as to disposition of all items. Action on this list will be coordinated with your office.

Regards,

Wendell
